And Biden is telling people not to show up because of Covid.

Enjoy Trump's inauguration, Fren!

Thanks pede. And sorry but I wanted to reply to your top comment, I've got a ton of messages from fellow frens that would like to go with us, anywhere from hitching a ride to paying for gas money etc.

Alas we are only going with people we know as we had a problem last road trip with a random. We literally bought him a bus ticket to go back home and kicked him from our convoy that's how bad it was.

If anyone sees us on the road feel free to drive with us, but that's all I can offer. Good luck everyone.

I've taken that mid route during the winter, it can be a disaster with ice and snow. Watched over 10 trailers jackknife in Texas panhandle. Lower route is safer and will be much faster

tru that. the route up to flagstaff is one hell of a climb but if its dry weather the road will be fine. personally I avoid Oklahoma in the winter but its winter. let the weather be your guide fo sure!

Stay in the lower, warmer route. Will be faster avoiding bad weather. Driven this route a dozen times

Someone should make a simple printable map of DC with all the main roads, buildings and monuments listed. That way each group can decide where important muster points should be in case of group separation or cellphone failure, comms down etc.

Edit.

Something like this. <https://www.google.com/search?q=Washington+dc+tourist+map&oq=Washington+dc+tourist+map&aqs=chrome..69i57.13309j0j7&sourceid=chrome-mobile&ie=UTF-8#imgsrc=brQd64n4lvhtXM>

Try to prepare assuming that you won't get any help from businesses.

Extra fuel, food, cooking materials, clothing, food, etc.

If you're gonna live in your car then try and set up a nice-ish sleeping setup beforehand. Put covers on the windows so people can't snoop. Network with other patriots for protection so you don't get robbed and for solidarity.

Rofl I love the little covid warning in the top left. Go 30 minutes outside of any city and that shit is optional. Totally clueless.

Leave extra time. I think the traffic from central Virginia into DC is going to be backed up big time with everyone converging on the city. During normal pre-covid rush hour it could take a few hours to get from Warrenton to DC or Fredericksburg to DC
